

500 SMS

- Activation *110*500#
- Balance check *105#
- If the SMS amount is fully used before the package expiration date, charging will be continued from another SMS balance (if such exists) or from the number balance according to the standard price: 1 SMS - 0.01 ₺.
- If you purchase the same package before the already activated one expires, the existing package will be annulled and the new one will become valid.
- In case of deactivation of the package, the paid amount, will not be refunded on the balance of the number and any unused units will no longer be available.
- SMS is not applicable for special numbers.
- You can activate another SMS package together with this one. In this case, charging will occur on the balance that expires earlier.
- Automatic prolongation is not available for this package. After expiration, the package will be deactivated. As a result, the remaining amount of SMS will be annulled. Charging will be continued from another SMS balance (if such exists) or from the number balance according to the standard price: 1 SMS - 0.01 ₺.
- All Cellfie subscribers are sent SMS messages with a warning about the expiration of any balance.
- The package can be activated via [MyCellfie](#) as well.
