

Unlimited SMS

- Activation *110*8#
- Deactivation *110*98#
- Expiration check *110*98#
- If you purchase the same package before the already activated one expires, the existing package will be annulled and the new one will become valid.
- In case of deactivation of the package, the paid amount, will not be refunded on the balance of the number and any unused units will no longer be available.
- Unlimited SMS is not applicable for special numbers.
- You can activate another SMS package together with this one. In this case, charging will occur on the balance that expires earlier.
- Automatic prolongation is available for the package. For successful prolongation, it is necessary to have sufficient balance on the 30th day and at the exact same time of the package activation the previous month.
- In case of insufficient balance on the 30th day, the package will be deactivated. Charging will be continued from another SMS balance (if such exists) or from the number balance according to the standard price: 1 SMS - 0.01 ₺.
- All Cellfie subscribers are sent SMS messages with a warning about the expiration of any balance.
- The package can be activated via [MyCellfie](#) as well.
